

summer artscamps 2011

experiencedelightimaginediscovertransformcreatelearn

This summer the City of Carlsbad's Cultural Arts Office provides children ages 7 to 12 opportunities to learn, create, and have fun in an engaging and safe environment. Young campers can choose from two unique and inspiring camp experiences — Creative Arts Camp and Club Pelican. Camp classes meet daily, Monday through Friday, and are staffed by professional artist educators, an on-site coordinator, and many energetic young adult volunteers. Detailed camp descriptions, dates/times, and age level requirements follow. When registering, please note the camp code highlighted in bold above each camp description. Camp fees include all materials.

Creative Arts Camp

Camp Code: CAC-111

Mondays through Fridays

July 18 through 29

9 a.m. to 3 p.m.

Ages 9 to 12

Fee: \$270

This two-week camp emphasizes a collaboration of the visual arts and theatre, with a touch of music mixed in as well. Campers will work with a visual artist to experiment with a wide range of media, including painting, drawing, sculptural design, textiles, and more! The theatre instructor will lead children through a series of performance activities and exercises. We'll venture into theatre games and participate in improvisation, basic script writing, clowning, and movement. All activities are designed to promote personal expression and self-confidence.

On Friday, July 29 the session will culminate in a performance with campers showcasing their completed works of art. Parents and family members are invited.

Instructors: Visual Arts, Tami Noorzay; Theatre, tbd

Creative Arts Camp is held at the Carlsbad City Library complex
1775 Dove Lane, Carlsbad, 92011.

**Enrollment is on a first-come, first-served basis
and is limited to 36 students.**

Club Pelican

At Club Pelican, science and art unite in one great camp! Rich in flora and fauna, the Batiquitos Lagoon is the “natural” location for this unique camp in which campers learn first-hand the wonders of nature. Guided by an experienced naturalist, we will hike the lagoon’s trails to explore the animal habitats, lagoon birds, native plants, insects, and geology that reside there. Next, finding inspiration in the natural wonders they observed, campers will paint, draw, construct, sculpt, and create artworks of all kinds. *This fun-filled—and very popular—camp is held in partnership with the Batiquitos Lagoon Foundation.*

Instructors for all sessions: Visual Arts, Tami Noorzay;
Naturalist, Karen Hoyle

Club Pelican is held at the Batiquitos Nature Center located off of Gabbiano Lane, Carlsbad.

Enrollment is on a first-come, first-served basis and is limited to 30 students per session. Due to the popularity of our program, we only allow one camp session, per camper.

Your Best Chance to Get In!

Because Club Pelican is our most popular summer program, it often fills up on walk-in registration day for Carlsbad residents. We recommend you show up in person. While this won't guarantee a spot, it will increase your chances of successfully enrolling your child.

about our instructors

Karen Hoyle has a BS degree from East Stroudsburg University in Pennsylvania and has been teaching fifth grade at St. Patrick School in Carlsbad for 27 years. Karen is inspired by nature and has been the naturalist for Club Pelican the past four years. After graduating from college, she moved to California with her twin brother and taught fourth grade in the San Gabriel Valley. After one year she moved to San Diego County and has never left! In her free time, she and her husband enjoy the outdoors, running, and their four children.

Tami Noorzay enjoys teaching visual arts to elementary students at Vista Academy for Visual and Performing Arts. A graduate of UCSD with a BA in Studio Art, she incorporates influences from Ernest Silva, Faith Ringgold, Kim MacConnel, Italo Scanga, and Alan Kaprow in her teaching. Tami is an active board member of Kid's College, an enrichment program that provides classes, such as the arts, that have been underfunded in schools. Her passion is to give students the opportunity to unearth their creative potential with the intention of discovering their own perspective. Tami has been teaching visual arts with the Creative Arts Camp since 2007.
